

PROFESSIONAL CERTIFICATE OF BRIDAL MAKE UP

Overview

Bridal makeup is an essential part of a wedding regardless of the theme and tradition. Standout eyes and defined lips create divine look for brides who want extra definition on their happy day.

This course takes makeup one step further by offering a list of beauty skills for those who want to be Makeup Artist (MUA) and learn about different corrective makeup tips and techniques to create different looks. Practical experience will also be given to prepare the trainees for future career.

PROGRAMME OUTLINES

- Theory of Bridal Make-up
- Bridal Makeup products & tools
- Client preparation for Bridal Makeup
- Demo & practical hands-on
- Malay Bridal Makeup
- Bollywood Bridal Makeup
- Korean Bridal Makeup
- Product removal
