

# PROFESSIONAL CERTIFICATE OF OF BASIC MICROBLADING

## Overview

Korea is well-known for its head to toe beauty industry. This one week complete microblading brow course is led by professional Phi brow Korean artists, covering basic to up-to-date beauty trend.

Microblading technique of hair strokes is specially adapted for European and Asian standards of beauty. The training is an initial step in the introduction of microblading technique, because the skill of eyebrow drawing is created during the long period of practice. Therefore, the most important Master Mina's goal during this basic training is to teach you how to practice and upgrade your skills.

This class is for beauticians who want to perfect their skills with the desire to learn and the patience to practice. It also suits those who are seeking for new business opportunities or for side income. It is also ideal for those who are interested to step into the beauty industry but uncertain about how to get started.
